Gyorgy KOLLENYI

A Central Registry check reveals information on file dated September 1947 indicating Gyorgy VOLLENYI, born 13 September 1905 in Perjanos, Hungary, was in collaboration with one Miklos KORPONAT who was ostensibly head of a resistance movement to combat the then current Hungarian regime. KORPONIAY agreed in priciple to cooperate with CIC in collecting positive intelligence information from Hungary and offered the services of Subject to head such a project. Subject submitted a preliminary plan for the collection of desired information which was in turn submitted to Chief, CIC, Land Salzburg, who believed the plan too elaborate and expansive. Subject then submitted a more modest plan which was apparently accepted.

The following information was obtained from Subject during an interview conducted on 10 September 1947. Subject completed his formal education in 1923 and attended the Ludovika Military Academy in Budapest, xxxxx graduating four years later with a commission as a first lieutenant. Subject served as a commander on the platoon and company level from 1927 to 1931; was assigned to the General Staff, 5th Army Corps in 1934 after attending Staff Officer training at the War Academy in Budapest, was promoted to captain in 1936; served as intelligence and CI chief of the 5th Army Corps from June 1936 to November 1937; was in charge of mobilization and training in the 5th Army Corps from December 1937 to January 1939; was Chief of Staff, 8th Hungarian Border Brigade from January 1939 to May 1950; Chief of Staff, 18th Light Brigade from May to October 1940; was appointed that same year to the Intelligence and Cf Department of the Hungarian General Staff; became a major in the General Staff in May 1942; was in charge of intelligence andCI at the Hqs, 2nd Hungarian Army from October 1942 to March 1943, was attached to the Hungarian Legation at Zagreb as Military Attache from Morch 19h3 to May 19h5; became a lieutenant colonel in May 19h5; and fled to Austria shortly thereafter. Subject was arrested in Klagenfurt by British troops on 6 May 1945 but was shortly discharged and placed in charge of the DP Camp in Huttenberg. Subject was leader of the Hungarian Section of the DP Camp in Kellerberg at the time of this interview.

Information on file dated Docember 1947 indicated Subject was a representative of the Cen Huncarian Intelligence Organization (CHIO) in Salzburg, and was also closely connected with former Hungarian Cascists circles at that time. File information dated January 1948 indicated that KOLLENYI was a source for the 130th CIC. Salzburg at the time of this information.

File information indicates that in January 195h, one Alice GALLINGER (not further identified) was Subject's personal secretary in connection with his work as chief of the KOLLENYI Intelligence Group. Later traces indicated this person is Alice GALLINGER nee LOVAS, born 1 July 1912 in Budapest, a self-employed translator who lived at Rathausplatz 3 in Freilassing, W. Germany in 1959.
